The M. W. A., of St. Helens, will hold a meeting next Wednesday evening, December 2nd at 8 p. m. in K. of P. hall, at which time will occur the election of officers. All members requested to be present.

The first floor of the building being erected by the St. Helens Amateur Athletic Club, is being laid. Judging from the progress already made by the boys their athletic hall and club rooms will be finished before February 1st.

All the material has been hauled and work has actually started on the erection of the big home of the St. Helens Amateur Athletic Club. The building is located on the corner of Oak and Willamette streets, and will be completed inside of 90 days.

The day before Thanksgiving the members of the Cottonwood Duck Club, composed of some St. Helens business men, sent three dozen Mallards to the Baby's Home in Portland. The gift was appreciated by the managers of the institution very highly and the hunters received an expression of sincere thanks for the gift.

Hiram Mercer and John McCully are just completing two nice houses for Mr. and Mrs. Anderson, who reside on the Muckle farm. These houses are modern residences and will be rented. WHEN BUYING HARDWARE

Consider the house that stands behind the goods it sells.

There is so much deceptive hardware on the market that no reliable dealer will GUARANTEE any article until he KNOWS it has QUALITY.

WE GUARANTEE OURS
and that is the best advertisement that could ever write.

MUCKLE HARDWARE CO

Williams & Hall Co

RESOLVED THAT

Business is business when it is honest. When it is not honest it is robbery. The man who doesn't do a one price business is doing a dishonest business. The man who thinks that "last week \$20.00, this week \$10.00," is good business is foolish. The merchant who doesn't believe that honesty is the best policy will be a piker all his life unless he goes broke—which is probable. Advertising is telling people where you are, who you are, what you've got—it isn't fake bargain sales.
